

TECHNICAL
ENGINEERING

TE Engineering and Consultancy firm founded by 2 civil engineers who has been working as a professional in industrial, commercial and residential buildings for about 23 years. From the day it was founded, it realizes the medium and large scale projects in the construction sector, especially;

- Industrial Buildings
- Factory Buildings
- Housing and Health Facilities,

starting from the design phase and as turnkey.

TE Engineering and Consultancy gives support and confidence to investors with its strong staff and experience in the sector.

Te Engineering basic philosophy is to **PRODUCE SOLUTION** and **CREATE VALUE**, while at the same time creating a difference in the sector with;

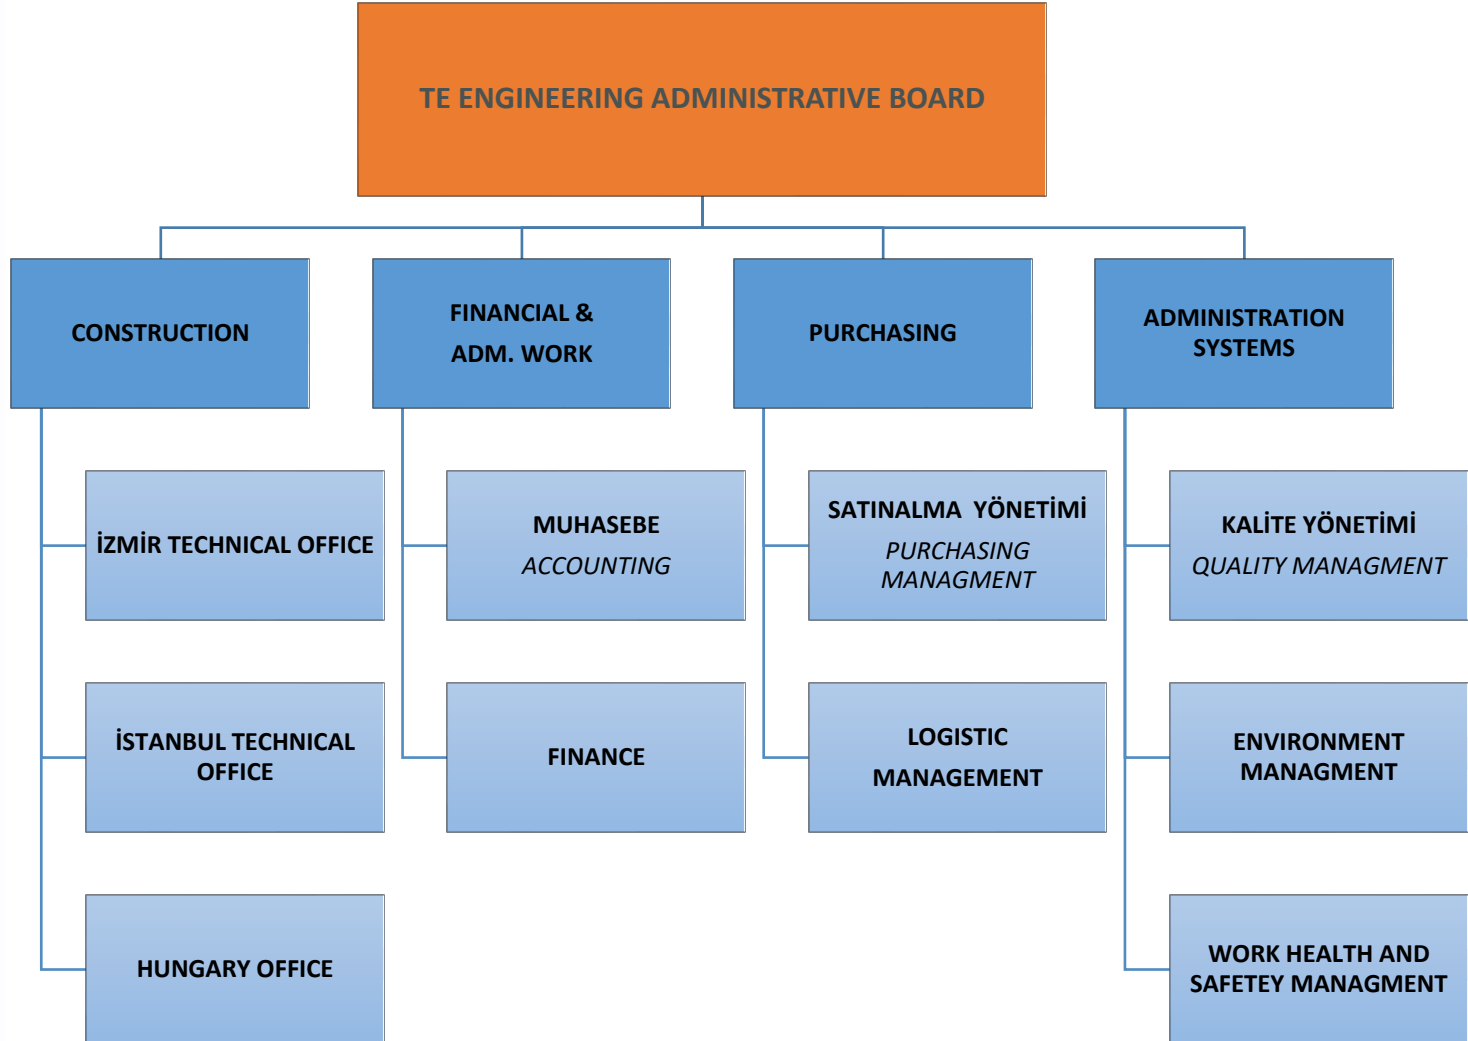

- **INNOVATOR**
- **ORIGINAL**
- **QUALITY AND CUSTOMER FOCUS**
- **CREATING ECONOMY WITH VALUE ENGINEERING ASSEMBLY**

Perspective.

With the principle of 100% customer satisfaction, we are on the right path for the future.
